International Mission to Jewish People will not pass on your details to other organisations. We will only use the information you provide to keep in touch with you about our ministry to Jewish people.

Mark and Rahel Landrum are both Jewish believers, they have almost 60 years of Jewish mission experience between them and have shared Jesus with Jewish people in Europe, North America and Australia.

Mark came to faith in Jesus as a youth in Atlanta, USA, while Rahel began following Jesus at the age of 18, shortly before starting her Israeli military service. It wasn't long before both felt convicted to share the gospel with their own Jewish people and began following that call as missionaries. The couple are based in Sydney, Australia, where they are reaching out to the city's thriving Jewish community.

**We look to people like you to help people like Mark and Rahel share Jesus with Jewish people. Please prayerfully consider how you can support us.**
